Hi Kevin,

I attached it to this message. Please let me know that you received the file because it is large.

Also, I am probably going to put some comments on it, if I am able to in Adobe, and attach a marked up version later. If I can't, I am going to attach a list of my comments.

Thank you,

Parkersburg Area
PFAS Sampling....

Jenny

Jenny, do you mind sending me the presentation that Andy sent out last week? Because I was copied on your message, I didn't get the actual slideshow.

Thank you!

Kevin
